Whether you come to church, or not, this is YOUR opportunity to support YOUR CHURCH. Gifts will be received in the Church on Saturday 28<sup>th</sup> November, between 10.00am and 12 noon. Alternatively, you may deliver your envelope to the following: Pam Baylis [Churchwarden] 28 High Street, Jonathan Newell [Churchwarden] 7 Pinfold or Mary Morgan [Secretary] at 18 Pinfold Close. If you are a Tax Payer, then if you are kind enough to complete the name and address on the front of the envelope, then St Andrew's can claim back VAT.

### COFFEE MORNINGS

It is 12 months since I retired and was able to attend Coffee Mornings. This was out of my "comfort" zone, but as a relative newcomer to the village and being a Churchwarden, I felt that I should get to know more people. Now I look forward to meeting people new and old and catching up with village news. So, if you are an oldcomer or newcomer, please come and join us for a Coffee and a chat. A warm welcome is assured, not forgetting all the goodies on sale: Jams, homemade cakes, selection of fresh local veg and much more. The next one is in the church @ 10.30am on Tuesday 3<sup>rd</sup> November. *Jonathan Newell*

### QUIZ NIGHT

This was a fantastic evening and was well attended. The Ploughman's' Supper was superb, thanks to members of the PCC. Our Quiz Master, Mr Steve Bond, gave us some very thought provoking questions, which resulted in a lot of "yippees" and "grrr..." This great fun evening raised just over £300 for the upkeep of the church.

*The Aims and Objectives of Rippingale Parish Council:-*

*"To provide services for and manage and maintain the assets of the village of Rippingale, within the law, and the resources provided by the annual precept and other incomes, taking into account the wishes of the residents and obtaining value for money."*

### **Rippingale Community Public Access Defibrillator.**

Community Public Access Defibrillators (CPAD) are becoming a common sight on many British streets and in places of work. In rural communities they are a vital piece of equipment that can improve the statistics of surviving a cardiac arrest from less than 3% to around 50% so long as they are used quickly.

Final planning for the activation of the Rippingale CPAD is well underway and, once the Defibsafe is fitted at the proposed Village Hall site, the defibrillator will become available for use in the case of a cardiac arrest within the village.

We are now able to offer the first sessions to teach basic life support skills and how to use the defibrillator in the community. This training will take around two hours to complete and is open to anyone. We hope that we can encourage as many people as possible to learn the principles of resuscitation and how to use the defibrillator, and create a community of life savers in the process.

**The first FREE training sessions will be held in the Village Hall on Saturday 12<sup>th</sup> December 2015 between 10am - 12pm and 2pm – 4pm.**

**There are a maximum of 12 places in each session.**

The sessions will be led by Nigel Adams and Erica Field-Lucas, both of whom are accredited CPR and AED trainers. Nigel currently works with the LIVES service and Erica has 30 years' nursing experience.

If you wish to take a place at either of these sessions or require more information please contact:

Nigel Adams Tel 440872

**Please book places by 1st December 2015 at the latest.**

**"WELCOME PACK"**- The Council is finalising an information pack to be given to new residents coming into the village. If you are involved with any of the many village organisations/activity groups, to ensure that you get a mention, please send current information and contact details to Bev. Machin c/o the Clerk.

### **RIPPINGALE & DISTRICT GARDENING CLUB**

The Club met on Wednesday 14<sup>th</sup> October to hear Joe Whitehead talk on the subject "Nice and Nasty" – plants and pests. The meeting was well attended and many who were present had visited Llatherwycke Walled Gardens, Northamptonshire with the Club in July, when Joe had given a walk round tour of the borders and grounds. This was significant because he had brought a wealth of carefully selected material from the garden, now blooming in full Autumnal glory, as the basis for his talk. He also brought with him the less pleasant side of gardening by way of examples of pest damage and disease which affect many species. His coverage was comprehensive and enjoyed by all. The next meeting is on Wednesday 11<sup>th</sup> November @ 7.30pm in Rippingale Village Hall, PE10 0TA when Penny Dawson of Twelve Nunns Nursery will speak on the subject "Hellebores and other specialties" [Roscoeas, Trilliums, Erythroniums]. There will be plants for sale. *Elizabeth Forman*

### **RIPPINGALE & DISTRICT WI**

At October's meeting, there were several visitors and three rejoining members who were all welcomed by the President. Thanks were given to all who helped made the Centenary tea party a huge success and to those who displayed their crafts at the Centenary exhibition in Sleaford. There were proposed outings to Jesus Christ Superstar and the Glenn Mill Story at the Broadway Theatre in Peterborough, a Ghost walk at the museum and a Christmas lunch. Next year's Resolution shortlist was announced, including ones on the very topical banning of microbeads, equal funding for mental health and food waste. Although the expected Speaker could not attend, the Committee had organised a Chinese themed evening, with members enjoying making paper fans and money envelopes, answering quiz questions, reading Chinese proverbs and playing a chopsticks game. Next month's Speaker will be Richard Adams on "Rutland, small but beautiful" on the 5<sup>th</sup> November @ 7.30pm in the Village Hall. Visitors are always welcome. Please contact Michele Joint on 440368 for more information.

The Cheeky Monkeys Parent and Toddlers Coffee morning is on Tuesday 17<sup>th</sup> November, in the Village Hall, 10am – 12 noon. Come and join us for Coffee and Cake. Various craft stalls, ideal for Christmas presents.
