PARISH COUNCIL [Clerk – Sheila Scholes – 440200]

NEXT MEETING Thursday 11 September 2008 at 7.30pm in the Village Hall.

MOBILE LIBRARY

The church:	Monday	1 st	September	11.45am – 12.45pm
	Monday	29 th	September	11.45am – 12.45pm

DID YOU KNOW? We have a Library Samaritan in the village.

I received a letter this week which reads as follows:

*“I reside in the village and work in libraries in the local area. I understand that since the Mobile Library has altered its stops and times, there may be several elderly/infirm residents in the village who are no longer able to use the service. I would be happy to take books to anyone that is in this position and, of course, collect them for return to the library. I have to stress that this would **not** be part of the “library service”, I merely feel it is a great shame if people have lost access to regular reading material and, as I am in one library or another most days of the week, I would be happy to do this for them.”* Well – what can I say? RIPPINGALE & DISTRICT GARDENING CLUB

The next meeting will be at 7.30pm in the Village Hall and is a talk by Hazel Kaye on “Colour, Shape and Texture in Herbaceous Plants”, preceded by a short AGM.

RIPPINGALE & DISTRICT WI

Did you know that our present day drinking culture can be traced back to the Anglo Saxons? that is according to the speaker at our August meeting, Tina Lee. Tina gave us a very informative and interesting talk and slide show. During the lecture we saw many photographs of pub signs and heard about how they used to put out a green branch when the wine was ready, which continued in the Ale Houses. Perhaps this is where the Old Bull [meaning tall stories] and Bush came from, who knows? Apparently a lot of pubs were connected in some way with the Church and Monasteries, therefore a lot of the signs had religious connections, such as The Angel etc. Some signs were to do with the Lords of the Manor and their heraldry. One very common sign, “The Marquis of Granby” depicted soldiers' gratitude to the man who gave them enough money to buy a license to sell ale at the end of their military career, when normally they were just pushed off the ship and sent home with no money at all. The most common signs are to do with Royalty, eg The Red Lion, The White Lion and the French one, The Golden Lion. A great talk giving us an insight into the Social History of our Country. The next meeting is on 4 September in the Village Hall and is a talk about the history of the Harvest Festival by Andrew Sankey – so why not come along and see what we are all about.

THANK YOU THANK YOU THANK YOU

I would like to say a big thank you to my friends who have helped me back on the road to recovery following my operation. I would like to say a special thank you to The Willows Residential Home who looked after me for two weeks respite care as a stop gap between coming out of hospital and coming home. The care and kindness I received was first class. Thanks again. *Jill Elliott*

A "WEE" MESSAGE FROM OUR OLD VILLAGE FRIEND – Betty MacMillan

She would like to thank all her friends in the village for their kind help and support. She has been fighting cancer for the past three years, but unfortunately the "pest" has reappeared. She is currently undergoing treatment at both Ward 2Y PDH and Addenbrooks Hospital, Cambridge, where undoubtedly she is keeping the doctors and staff on their toes with her happy wit and humorous personality. Those of us who know Betty will know she has been a villager for over 27 years and served on all village committees, including the local school and WI. She is no longer known as a Scot, more of a Lincolnshire Yellow Belly. She would like to thank her friends for their encouragement. See you all again soon. *John MacMillan*

"I'm THIRSTY. Can I have a drink of water?"

"I told you NO! If you ask again, I'll have to smack you!!"

Five minutes later "Daaaa-aaaaad"

"WHAT!"

"When you come in to smack me, can you bring a drink of water?"
