

Useful Links for Neighbourhood Plans

SKDC website:

<http://www.southkesteven.gov.uk/index.aspx?articleid=9094> – Applying for Designation as a Neighbourhood Planning Area

<http://www.southkesteven.gov.uk/index.aspx?articleid=8161> – District Specific information on Neighbourhood Plans

External websites:

<http://locality.org.uk/wp-content/uploads/Roadmap-worksheets-map-May-13.pdf> - the locality roadmap guide is a very useful tool, and can aid you in drafting your own Neighbourhood Plan timetable

www.ourneighbourhoodplanning.org.uk/resources/documents/29 - good background information and explains the Strategic Environmental Assessment (SEA) process

<http://locality.org.uk/wp-content/uploads/Neighbourhood-planning-an-introduction.pdf> - a brief introduction to Neighbourhood development plans (one side of A4)

<http://locality.org.uk/projects/building-community/> - the locality website is a useful neighbourhood planning tool. With good links to funding and training opportunities

<http://www.pas.gov.uk/neighbourhood-planning> -the Planning Advisory Service (PAS) website is very good for updates on funding and training courses for community groups

Communities completing a Neighbourhood Plan can apply for direct support and/or grants of up to £7000. Further information is available at

<http://mycommunity.org.uk/programme/neighbourhood-planning/>

Planning Aid England offer free planning advice to Neighbourhood Plan groups – Samantha has attended a conference on Neighbourhood Plans given by John Romanski so he should be able to advise you – john.romanski@planningaid.rtpi.org.uk
